3 The Heath, Breachwood Green SG4 8PJ
Guide price £250,000

This delightful cottage dates back to the turn of the century and benefits from an extension and modernising in recent times.

The windows have been replaced with upvc double glazing and there is gas central heating, keeping the cottage warm throughout the winter. The re-fitted kitchen is a modern with an integrated oven, hob, extractor and dishwasher. Bedroom one offers superb countryside views over fields. Externally, there is a courtyard garden with ample space for alfresco dining. We have been advised that there is an allotment which can be rented for £15 a year should more outside space be required.

Breachwood Green is a wonderful semi-rural village located within Hertfordshire's metropolitan Green Belt. The village provides a lovely public house and a well-regarded JMI school, and the larger towns of Harpenden, Luton and Hitchin are all within a short drive with their larger shopping facilities and schools. The M1 is just a ten minute drive away and access to London on train is available from Luton Parkway (fast train 23 minutes) and Harpenden.
