Apartment 9, Wymondley House  
Little Wymondley SG4 7JB  
**Guide price £350,000**

**A breathtakingly beautiful residential conversion that forms part of this attractive Grade II\* listed Georgian mansion which is well placed for amenities and communication links.**

Wymondley House is an impressive and elegant Georgian mansion dating back to the 18th century which has been converted into apartments and houses. This house sits in delightful grounds of approximately 1.2 acres and offers ample parking for residence and visitors. The owner has advised us that the property offers a share of freehold at a service charge of just £120 per month.

This stunning split level apartment offers very generous accommodation with an open plan living area, bathroom and four large bedrooms. The two bedrooms on the second floor could easily be made into one huge room if required, as it has been in the past. The property offers period features, such as sash windows and exposed beams. Interestingly, there are no adjoining walls to surrounding properties, so peace and quiet comes as standard.

The communal gardens are rarely used by the other residence as some of them have their own private gardens. This is a lovely area to relax and enjoy the sunshine. There is also a private summer house. There are two allocated parking spaces.
