# Welcome to Stonegate Business Park

Stonegate Business Park is a unique opportunity to purchase or lease Grade A office space minutes from Canterbury and the M20. Expertly designed by award-winning architects BDB Design, the buildings can be adapted to meet the requirements of many businesses through their flexible internal layout and spacing. With local amenities such as a village shop/post office and a variety of pubs a short walk away, Stonegate Business Park is a practical work space set within an area of outstanding natural beauty.

## The Location

---

Stonegate Business Park is located 7 miles South of the City of Canterbury, on the historic Roman Stone Street road which links Canterbury to Folkestone and the surrounding villages. The M20 motorway is 6 miles further to the South, with immediate access to the Channel Tunnel where trains now take just 35 minutes to reach the continent. Stelling Minnis, Bodsham and Stowting Primary Schools are located within a 3 mile radius of the site and grammar schools such as Simon Langton Boys School and Simon Langton Girls School can be found within a 6 mile radius.

# The Office

Both buildings will be delivered to Grade A specification, including comfort cooling and air conditioning, raised access computer flooring and suspended grid LED lighting system. The buildings will also come with a generous amount of parking - 23 spaces are available and will be allocated on a ratio of 1:213 per square foot. Building One has a net internal area of circa 1,600 sq ft. Building Two has a net internal area of circa 3,400 sq ft. High-speed fibre optic broadband will be provided to the buildings
