Eskside

East Mains, Edzell.
DD9 7WE

DESCRIPTION

In a picturesque setting this select development by DLB Scotland comprises an attractive range of 10 detached villas and bungalows of individual design together with 3 further properties in a small terrace at the entrance to the site.

The properties enjoy outlooks over surrounding countryside on the edge of the village with a short walk to the River Esk.

This charming Angus village has a range of local amenities and services catering for the day to day needs of the village and includes the local primary school, health centre, local shops, cafes and 2 hotels all of which are within easy walking distance from Eskside.

Edzell is convenient for the Angus Glens which provide the opportunity for numerous outdoors pursuits, whilst the village has its own long established and well renowned golf course.

This select village is convenient for the A90 trunk road which is a short drive away and carries traffic quickly north towards Aberdeen City and south to Dundee City with numerous Angus towns including the close by Cathedral City of Brechin.

Example properties are available for early release and can be reserved at agreed fixed prices from plan during construction.

The attached site layout, floor plans and specifications have been provided for illustrative purposes by the architect and developer and these may change during construction.

The specification list in the sales particulars underlines the quality and standard of properties provided by DLB Scotland who are experienced in the construction of quality new build homes in the area.

SPECIFICATION

HOUSE:

Foundations: Reinforced concrete to engineers design

Underbuilding & Backfill: 7N concrete blockwork compacted upfill from ground level to underside of reinforced concrete ground floor slab
