Panmure Apartments | Monifieth

This impressive Victorian building (dating back to circa.1898) formally the Panmure Hotel was well-known as a popular hotel and wedding venue. Recent conversion has transformed this stunning building into 9 luxury apartments. The apartments will have generous room sizes all with open plan living/dining/kitchens, quality fully fitted German designer kitchens with integrated appliances, designer bathrooms and master en-suites and two double bedrooms. The development has been sympathetically redesigned by local, long established company West Developments.

Located on the southern boundary of the Angus town of Monifieth, this popular location has straightforward road and rail links available for commuters to the surrounding employment centres in Dundee, Broughty Ferry and Arbroath. The links, beach front, shops, supermarket as well as a railway halt are within a reasonably short walking distance from the site. Monifieth Golf Course and Club House, an ideal venue for events, social and leisure pursuits, is located on the east most boundary of the grounds.

Viewing is strictly by appointment. Contact Thorntons New Homes Team [newhomes@thorntons-law.co.uk](mailto:newhomes@thorntons-law.co.uk) or telephone 01382 200099 to arrange.

Note: West Developments and Thorntons Property Services make every effort to ensure that all particulars are correct and up to date. The illustrations, floor plans and details shown are taken from the original plans and drawings for the development and are provided at this stage to give indications of the proposed layouts and finishings. These may alter during the construction and should be considered on that basis.
