Located on the Northern side of Dundee, within the ever-popular residential area of Downfield, this deceptively spacious one and a half storey, semi-detached villa offers excellent family accommodation and a highly convenient position. Positioned in the heart of Downfield the property lies just a short distance from excellent local schooling, frequent commuter public transport links, shops and Dundee's main arterial route, the Kingsway, is easily accessible. Accommodation is generous, adaptable and bright spanning to 111 square meters. There is an entrance vestibule that leads to the main reception hall. The property has been recently refurbished and offers a bright spacious lounge, a ground floor double bedroom which could be used as an additional living room and a generously sized dining room which provides access to the rear of the property.

The rear of the property has recently been fully refurbished to create a beautiful modern shower room fitted with contemporary tiling and large walk-in shower. The kitchen is fitted with a range of quality units, contrasting counter tops and splash back. Dual aspect windows provide pleasant views over the rear gardens.

Ascending to the first floor there are a further three well proportioned double bedrooms, one with in-built wardrobes. Practical specification is modern with an efficient and regularly serviced gas central heating system and double glazing.

Externally the property is set within mature well tended gardens. Off Street parking is generous providing parking for a number of vehicles. The paved driveway leads to a single detached garage. The rear gardens are mainly laid to lawn with a paved patio area and mature planted beds bordering. This is an excellent example of a spacious family home set in a desirable location.
