

Neasham Road, Darlington

An impressively sized three bedroom end of terrace on Neasham Road, offering a great opportunity to make a welcoming family home.

The property is set on the end of a no through road and therefore benefits from a quiet side street with good parking opportunity. Internally there is a large hallway and entrance vestibule leading off to the through lounge / dining room areas - both of a very spacious nature with a lovely bay window to the front letting in lots of light. The kitchen is of a good size and has the benefit of a glazed out house to the side offering great scope for storage and additional white goods.

Upstairs is the family shower room with a white suite and two large double bedrooms with a further compact third bedroom.

Externally there is a cute sized yard leading out to the side street and with brick built storage.

This is a new portfolio property for the landlord who has made clear his position to undertake additional works at the property to secure the right, long term tenant. With this in mind we would encourage early viewings to secure this fantastic property.
