Description

Constructed at the turn of the eighteenth century using sandstone block work beneath a pitched tiled roof, this detached two storey property was first established as a public house in the late 1800's and has been modernised and extended over the years whilst retaining many of its original charm and features.

The main bar area has exposed beams, an original open working fireplace and a large, fully fitted free-of-tie licensed servery with a range of optics, draught and hand-pulled cask pumps, chilled bottle display cabinets and fridges.

The main bar/lounge leads to a 'snug' seating area at one end, with the other leading to the toilets and 60 cover restaurant, beyond this is an equipped stainless-steel kitchen with extraction system housing ample work surfaces, storage units, a preparation/washing-up kitchen area and a full range of well maintained commercial appliances.

Externally, the property has maintained and well furnished external patio trading areas with outdoor heaters, lighting, mature and colourful shrubbery borders and a large, decked and covered, purpose-built smoking shelter. Beyond the car park, which can accommodate approximately 40 vehicles is a beer garden with wooden benches and tables and perimeter fencing.

The premises offer a unique opportunity to an individual, pub/restaurant chain or developer seeking detached premises with character and extensive grounds. The property is available Freehold with vacant possession either as a going concern or on a bricks and mortar basis.
