

CHEYNE PLACE
ROYAL HOSPITAL ROAD
CHELSEA

This property offers both space and high spec which are very hard to find in a location like this. The house has close to 7,000 sq.ft of internal space, seven bedrooms, three reception rooms, a large roof terrace, a garden and a large swimming pool with sauna and shower facilities in the sub basement.

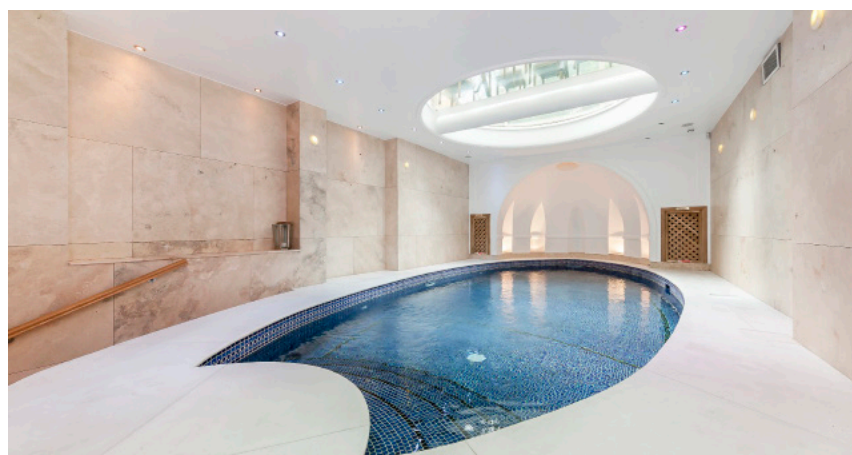

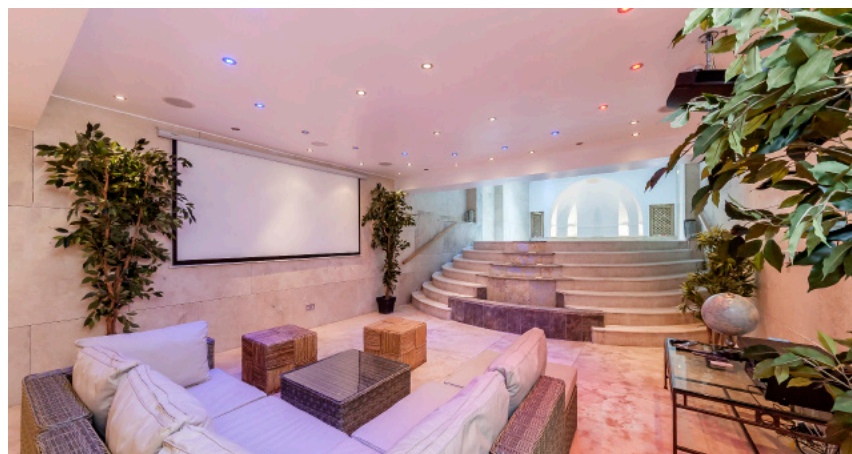

As you enter the property, the ground floor has an impressive foyer with a staircase, lift to the rear and there is a large eat in kitchen at the front. As you walk through to the back of the house you can find a glass staircase taking you into the rear glass extension with a great dining space on the garden level. Towards the front of this floor you can also find two bedrooms.

The sub basement is flooded with natural light from a glass floor in the room above and contains a large swimming pool with a sauna, shower and toilet facilities a chill area with fittings for a projector TV and a sound system fitted throughout.

The first floor of this beautiful house has high ceilings and holds the main reception room which overlooks the Chelsea Physic Gardens which if you do not know are absolutely stunning to look at and very few properties overlook them.

The upper floors are where you can find the further five bedrooms including the master with en-suite and plenty of built in storage. As you get to the highest floor you will find a staircase leading to an electronic retracting roof that takes you onto a stunning terrace with amazing views across the Gardens and towards the Thames.

Located only a short distance from Sloane Square, Burton Court and Kings Road this house must be viewed as it will definitely differ to anything else on the market nearby.
