This newly built three bedroom townhouse is part of a luxurious gated development and comes with spectacular views over the river from balconies on three separate levels.

His newly built three bedroom townhouse is part of a luxurious gated development and comes with spectacular views over the river from balconies on three separate levels.

The ground floor entrance has access to a WC and utility room, this leads through to a large bespoke kitchen with fully integrated appliances and polished quartz worktop.

The first floor is the perfect entertaining space. Walnut engineered timber flooring covers two reception rooms, the larger of the two is West facing with bi-folding doors leading out onto a full width balcony.

Two large double bedrooms take up the second floor, each with a luxury en-suite bathroom fully fitted with marble surface, Hansgrohe taps and de-mister pads integrated into the mirrors. Again the West facing room features a full width private balcony

Palace Wharf is located adjacent to the River Thames just a short walk from popular local riverside amenities as well as the leafy Bishops Park. Local transport links are nearby.
