Elvaston Mews, London, SW7

This unique house by McKinley Spaces received a 2013 International Property Award as the best single residential development.

The original facade has been preserved while the remaining structure has been transformed into a modern, open-plan living space.

The house has undergone a complete refurbishment throughout and boasts extensive entertaining and family living space. On the second floor is a reception room, a stunning roof terrace and second open-plan kitchen/reception room extending over the entire lower ground floor.

There are four double bedrooms arranged over the first and second floors, an en suite master bedroom opening onto a terrace and three further double bedrooms with two shower rooms (one of which is en suite). In addition, the property boasts an integrated garage, cloakroom and lift servicing all floors.

Located in a delightful cobbled mews between Gloucester Road and Queens Gate, only moments from London's famous Museum district, Hyde Park and High Street Kensington and South Kensington.
