## Long Lane, SE1

The Taper Building is a highly sought after development, completed in 2018, and finished to a very high specification, with a secure entranceway, concierge, residents' bike store & lift access. There is underfloor heating in each room, comfort cooling and engineered hardwood flooring in the living room, kitchen and hallways.

Set on the south-side of the building with a large south-facing balcony, this apartment is flooded with light all through the day. There is a real sense of space throughout, with two generous double bedrooms, large bathrooms, one of which is fully en-suite and a very spacious living space.

The kitchen is fully fitted with modern appliances, ample storage, Quartz work surfaces and an in-built breakfast bar. In addition, there is plenty of space for a large dining table and separate seating area.
