Main Street, Seahouses, NE68 7TS

A fantastic opportunity has arisen to the market to acquire this well presented three bedroom terraced house, idyllically positioned within the popular coastal area of Seahouses. This freehold property was originally a grain store and was converted into a residential home circa 1910 and has been extended and modernised multiple times since. Its location and expansive living space provide an excellent chance to own a family home in this picturesque area.

The property begins briefly with an entrance vestibule, providing access directly to the bright and spacious living room which offers a beautiful feature fireplace and flows through to the extensive dining kitchen. The kitchen itself offers abundant fitted storage space with neutral units and a breakfasting island. There is also dining room space with access to a conservatory overlooking the rear garden.

To the first floor of this wonderful house there are three generously sized double bedrooms, one of which with both an en-suite and fitted wardrobe storage space. There is also fitted storage space on the landing, with a contemporary three piece bathroom to complete the home.

Externally, there is on street parking to the front with a detached garage, providing off street parking. To the rear is a stunning garden with a sizable storage shed, which can be used as a workshop, or additional outbuilding.

Seahouses is a large village on the North Northumberland coast in England. It is about 20 km north of Alnwick, within the Northumberland Coast Area of Outstanding Natural Beauty.
