Cadbury Road, TW16

As you step into this spacious family home, offering over 2,000 sq.ft of living accommodation, you are welcomed by a bright and inviting entrance hallway. Originally designed as an additional room, this space has been thoughtfully opened up by the current owners to create a larger, more versatile lobby area yet it retains the flexibility to be reinstated as a separate room if desired.

The ground floor has two generous bedrooms, including the master, which is complemented by a large adjoining shower room that could easily function as an en suite. A well-appointed family kitchen leads through to an expansive reception room measuring 25'10" x 25'9", offering a fantastic open plan space for entertaining, relaxing, and hosting, with direct access to the substantial rear garden. Additional benefits include an integral garage ideal for conversion into a home office, gym, or studio and a spacious driveway accommodating 4-5 vehicles.

Upstairs, there are two further rooms and a family bathroom, with excellent scope to enhance, develop, or extend in the future (STPP).
