Worple Road, SW19

A beautifully finished two-bedroom duplex arranged over two floors with its own private entrance, offering the feel of a house within a new build setting.

The layout is thoughtfully designed with an open-plan kitchen and dining room on the upper level and two generous double bedrooms below, making excellent use of the split-level format.

The specification throughout the property is high. The property sits within a boutique new build development on Worple Road, moments from the full range of amenities Wimbledon Village and the town centre offer.

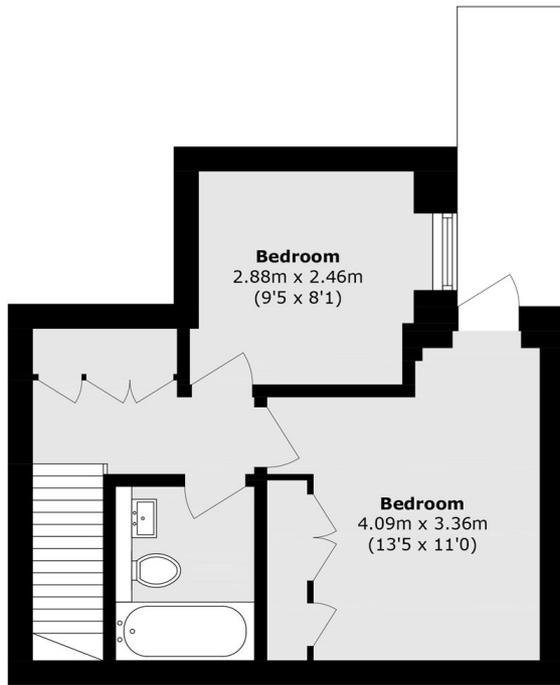

Wimbledon Station, serving the District line, National Rail to London Waterloo, and the Tramlink, is a 7-minute walk. For buyers looking for connectivity and a high standard finish in SW19, we recommend booking in a viewing.
