Worples Road, SW19

One of the finest examples of a two double bedroom, two bathroom, top floor apartment in the centre of Wimbledon. The flat has been taken back to brick, with a west facing balcony, lift, concierge and underground parking.

The apartment has undergone an enormous refurbishment by the current owner, with the flooring having been lifted, insulated, sound proofed and new wooden flooring laid throughout in addition to underfloor heating throughout the apartment.

Accessible from the reception room, you'll find the large, west facing corner balcony, with 280 degree views to Wimbledon Village and beyond, large enough for a table and chairs. There's a lift to all floors, concierge service, an underground allocated parking space and visitors spaces.

The bathrooms have been refurbished to a superb standard, complete with the bedrooms housing built in wardrobes. The kitchen has been cleverly re-designed and re-fitted, using solid oak wood doors, carcasses and quartz work surfaces, whilst remaining separate to the living space.

In the prime centre of Wimbledon at the foot of the hill to Wimbledon Village. The District line is moments away, alongside a range of superb shops, bars and restaurants.
