

Keymer Road, SW2

£525,000

A three bedroom first floor maisonette with its own front door and private garden. Internally the property has the feel of a house, with separate kitchen diner, front facing reception and split-level accommodation.

The reception room provides ample space for a dining table, while the kitchen at the rear offers direct access to the garden. Period features are found throughout, adding character. The main bedroom has been extended into the eaves to create additional space and now benefits from its own en-suite, while still retaining useful storage.

Keymer Road is conveniently located within easy reach of Streatham Hill and Tulse Hill mainline station offering rail links to London Victoria (via Clapham Junction) and London Bridge. At the end of the road is Streatham High Road which has a range of shops and restaurants.
