This beautiful semi-detached home set in the heart of Teddington offers over 3000sq ft of flexible living space throughout and a secluded South facing garden. There is a double garage with a studio to the rear of the property, it is a must view. Arriving to this home there is a long, landscaped front garden leading to the entrance. Inside there is spacious hallway leading to a front reception room overlooking the front garden. This room is bright and spacious with a bay window and built in storage then from the hall is also a large coat cupboard and cloakroom.

The reception room is situated to the rear of the house and has solid wooden floor with large bi folding windows overlooking the rear garden. The lower ground floor centres around sociable and family living. The kitchen is modern gloss kitchen with granite work surfaces and integrated appliances and bi-folding doors leading onto the garden. In addition there is a utility room, along with an additional reception room which works well as a media room/snug or playroom. Over the next two floors there are five bedrooms, with four bath/shower rooms; three that are en suite. The secluded garden leads to a detached double garage and a spacious studio room which has an en suite shower room; the room provides much flexibility in how it can be used.

Cromwell Road is centrally located in Teddington. The station is within easy distance as are outstanding primary schools. The River Thames and Bushy Park are close by.
