

Station Road, TW11

£2,100,000

Dexters

Station Road, TW11

Discreetly positioned within a beautifully reimagined historic building, this exceptional residence offers over 2,150 sq ft of architect-designed accommodation that seamlessly blends ecclesiastical grandeur with contemporary luxury. Original features, including stained-glass windows and arched brickwork, are thoughtfully preserved and framed by modern finishes, resulting in a space that feels both timeless and effortlessly sophisticated.

From the moment of arrival, the craftsmanship and attention to detail are unmistakable, with private lift access serving each level. The dramatic heart of the property is the breathtaking upper-level kitchen and reception space, where vaulted ceilings, exposed timber trusses and clean architectural lines create a striking sense of volume and light. There is oak wooden flooring and a bespoke, hand built german kitchen with integrated Miele appliances and is centred around a generous island. Perfectly suited for both entertaining and everyday living. The principal bedroom suite is a serene retreat, offering generous proportions, a walk-in wardrobe and a beautifully appointed en-suite bathroom. A further substantial bedroom and additional luxurious bathroom complete the sleeping accommodation.. A separate study provides an ideal home office or creative space, quietly removed from the main living areas. There is a private garden to enjoy the summer months with a garden room providing the perfect space for a home gym. Set behind the private gates there is an allocated parking space.
