Frazer Nash Close, TW7

This modern two bedroom apartment is set within a beautifully finished development completed to an exceptional standard, designed to maximise natural light and create bright, airy, and spacious living areas that feel welcoming and effortlessly.

The generous open plan living space flows directly into a private winter garden, ideal for year round enjoyment, while the master bedroom features built in wardrobes and an ensuite, complemented by a second double bedroom.

Residents benefit from allocated parking, landscaped communal gardens, and a contemporary main bathroom, with additional storage thoughtfully integrated throughout the apartment, ensuring everyday practicality, comfort, and the added luxury of enjoying your private winter garden.
