Great Suffolk Street, SE1

This exceptional three-bedroom penthouse apartment is arranged over two floors and crowned with a spectacular private roof terrace with 360 degree views taking in the best of the skyline, including the London Eye and the Shard.

Entered directly from the lift on the sixth floor, the apartment opens into a bright and spacious reception area with striking floor-to-ceiling windows that flood the space with natural light, due to its southerly and easterly aspects.

The sleek, fully fitted kitchen features premium SMEG integrated appliances, elegant Silestone worktops, and refined finishes designed for both everyday living and entertaining.

Throughout the apartment, underfloor heating ensures year-round comfort, while luxurious fixtures and fittings create a sophisticated feel. The bathrooms are beautifully appointed with stylish fittings and high-quality porcelain tiling, delivering a spa-like experience.
