The property is neutrally decorated, light and spacious and has good proportions throughout. In particular, the large reception room has been relocated towards the rear of the property, to create an extra-large living/dining room perfect for entertaining. The dining area section could easily be sectioned off again and restored as a third bedroom or second bathroom if desired. Leading off the reception is a recently installed kitchen overlooking the garden and fitted with integrated appliances.

Two good-size double bedrooms receive plenty of natural light, are fitted with built-in wardrobes and are well served by a stylish shower room/WC.
