This three bedroom end of terrace house is spacious, open plan and very homely. The south-facing conservatory and garden provides plenty of natural light and a great outdoor space to enjoy throughout the day. There are two double bedrooms and one single that could make a great office space for home workers. The property has a lot of potential for renovation's being like a blank canvas for the buyer to make it their own. An ideal family home.

The area is well-served by underground and overground stations, with Wapping Station (Overground), Tower Gateway (DLR) and Tower Hill (Circle and District Line) within a walkable distance. Providing quick and easy access to the City, south of the river and beyond.
