ABOUT THE PROPERTY

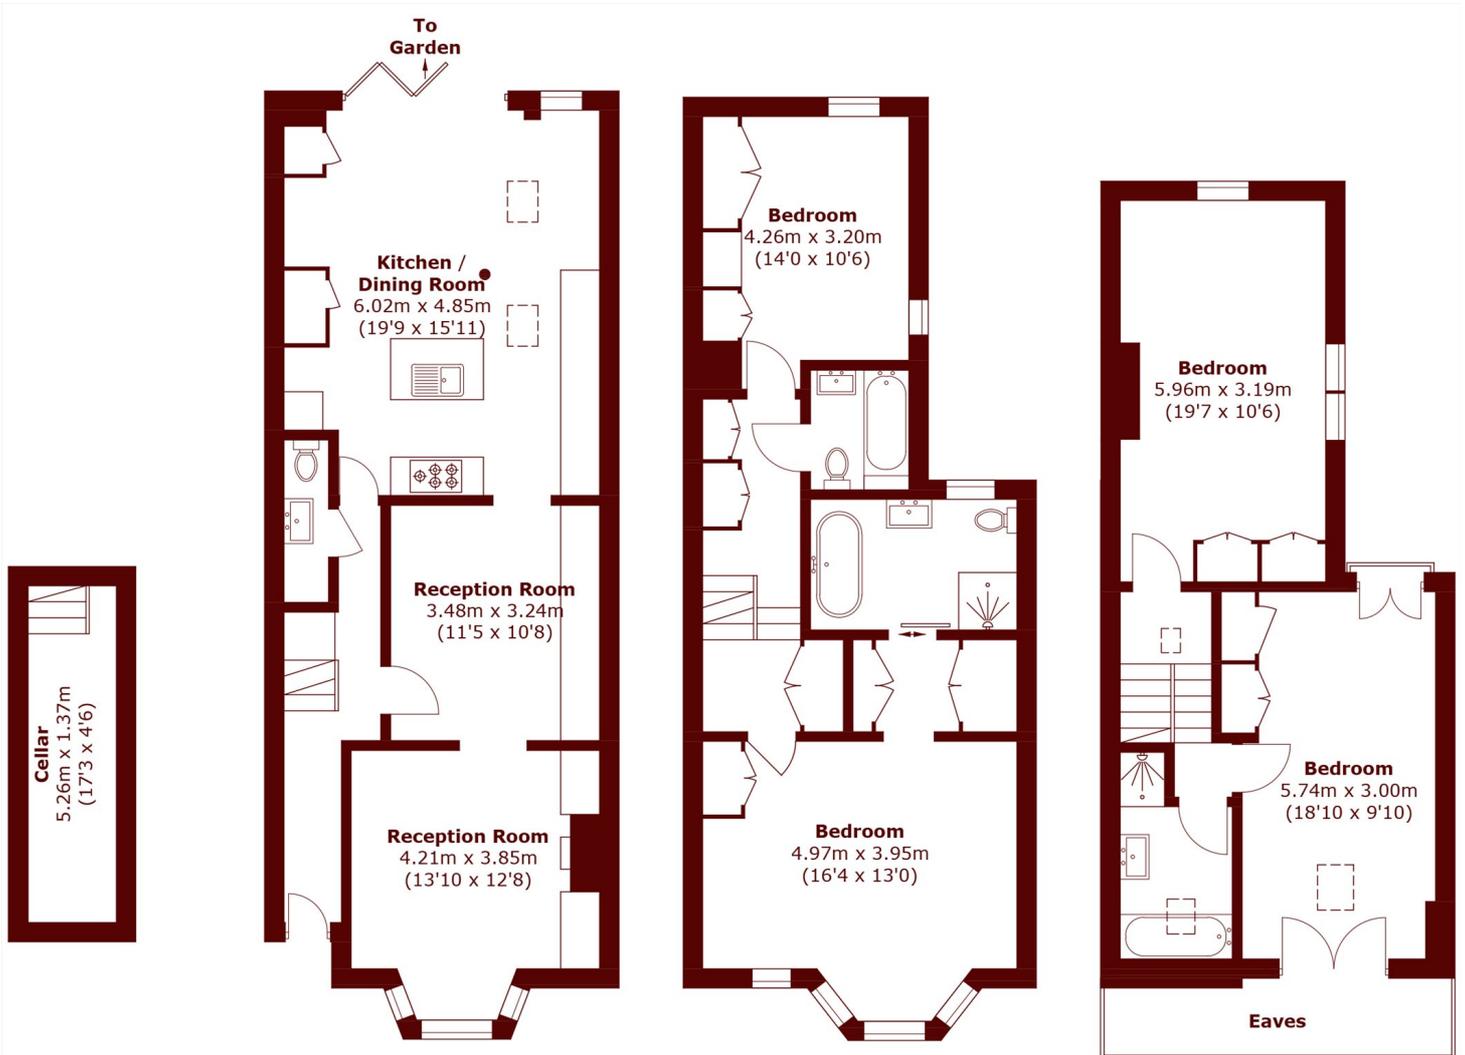

Beautifully refurbished four-bedroom Victorian family home arranged over three principal floors, combining elegant period detail with thoughtfully designed modern living.

The house has undergone extensive decorative refurbishment and has been professionally designed by Huxley Home Design Group, resulting in a stylish yet highly practical family home. The ground floor provides two elegant reception rooms with original cornicing and a standout bespoke library bookcase, creating wonderful spaces for both relaxing and entertaining.

To the rear, a generous kitchen/dining room forms the heart of the home, featuring a range cooker and ample space for family dining, with direct access to the garden. A cleverly designed downstairs WC adds further convenience for day-to-day family living. The entrance hallway is particularly striking, finished with Victorian tiling and underfloor heating.

The upper floors provide four well-proportioned bedrooms, all benefiting from fitted wardrobes. The light-filled loft suite is a particular highlight, enjoying a Juliet balcony and large Velux windows that flood the space with natural light.
