ABOUT THE PROPERTY

A bright and modern two bedroom, ground floor maisonette with a spacious private garden.

This ground floor maisonette set in a late Victorian conversion comes to the market in pristine condition. There is potential to use one room as study as it is currently set up, or a nursery. There is a contemporary family bathroom with a shower over the bath and wooden flooring which continues through to the reception room. A cased opening doorway provides partial separation between the living room and fully fitted kitchen. Completing this property is the neat private garden, with partial paving as well as horizontal slatted fencing for privacy, and built-in seating.
