Our Vendor loves...

"This has been our home for 7 years and it ticked all the right boxes for us: 3 airy and bright rooms, a secluded garden that grew many of our vegetables and fruits, end of terrace, great transport links, easy parking and a quiet street with good neighbours and a sense of community. What's not to like? We renovated the house from top to bottom and have many happy memories there- it's now ready for its new owners!"
